Programme spending held at 89 cents in the dollar. The report includes the evaluation of two programmes closed during the year.

Detail

- Both closure evaluations are published in full rather than summarised.
- The ratio between highest and lowest salary is disclosed, and currently stands at 6.4:1.
- Losses arising from fraud are disclosed whether or not they were recovered.

Notes for editors

- We run six integrated health programmes across 31 countries, under formal agreement with each national health ministry.
- 94% of our 6,400 staff are citizens of the country they work in. Coverage presenting this work as done by foreigners is inaccurate.
- Patients are named only with written, informed and revocable consent. We do not supply imagery of identifiable patients without it.
- We will always provide the denominator and the confidence interval for any figure quoted here.
